PRORATED CHARGES

For accounts that were not in service for a full month, a prorated charge is applied based on the usage or the number of days in service, whichever is greater. The usage is calculated based on the rate schedule shown above and the daily rate is based on the minimum monthly charge divided by 30 days.

METER READING

Meters are read mid-month. We use "touch-read meter" which provide for reading accuracy.

BILLING

Bills are mailed sometime between the 15th and the 20th of each month. Payment of bill is "Due on Receipt, however, a 10% penalty will be added if payment is not received in the water office by the latest pay date each month.

LEAK ADJUSTMENTS

Leak adjustment policy, request form, and service specs are available to the public at the office lobby and on the website www.wildernesspsd.com.
